

WORKMATE® WORK CENTERS

The most versatile model for maximum usefulness in home or shop.

WORKMATE® 400

Work Center—Model 79-034

Front jaw swings up for vertical clamping, so you can work freely on material edge, clamp thin materials like sheet metal, or use jaws as a gluing clamp. Large work surface for big workbench jobs. Storage space for nuts, bolts, nails, small tools. Portable, folds for storage. Dual height: 32-1/4" workbench height, 23-5/8" sawhorse height. Folds for easy carrying and storage. 29" vise jaws open to 9" wide. Swivel pegs hold odd shapes up to 16-3/8" wide, up to 30" diagonally. 28" rule on front jaw permits easy measuring. Base of sturdy steel provides stable platform. Work center accepts most mounted power tools.

Size: 31-1/4" wide, 32-1/4" high, 28-1/4" deep

Folded: 29" wide, 32-1/2" high, 8-5/8" deep

Net wt. 33-1/2" lbs

Some assembly required, wrench included

WORKMATE® 300

Work Center—Model 79-033

Holes in step provide storage for tools such as screwdrivers, pliers, chisels. 28" rule on front jaw permits easy measuring. Dual height: 31-3/8" workbench height, 22-3/4" sawhorse height. 29" vise jaws open to 5-1/4" wide. Swivel pegs hold odd shapes up to 11-3/4" wide, up to 29" diagonally. Vise jaws angle to permit wedge shapes to be held. V-grooves in vise jaws grip pipe, tubing, dowels, etc., horizontally or vertically. Step allows user to steady work with foot.

Size: 31-1/4" wide, 31-3/8" high, 28-1/4" deep

Folded: 29" wide, 29-1/2" high, 7-3/4" deep

Net wt. 29 lbs

Some assembly required, wrench included

WORKMATE® 200

Work Center—Model 79-032

Dual height: 29-1/2" workbench height, 22-3/4" sawhorse height. 23-3/4" vise jaws open to 5-1/4" wide. Swivel pegs hold odd shapes up to 11-3/4" wide, up to 24" diagonally. Vise jaws angle to permit wedge shapes to be held. V-grooves in vise jaws grip pipe, tubing, dowels, etc., in horizontal or vertical positions. 23" rule on front jaw permits easy measuring. Step allows user to steady work with foot. Holes in step provide storage for tools such as screwdrivers, pliers, chisels.
