

WORKMATE® Portable Work Center and Vise

A—79-035 Clampdown 35" Model. Only WORKMATE® gives you a work center, giant vise, clamping press and sawhorse all in one! It's a portable, folding work center you can take to the job. The 35" vise jaws open to 19 1/4" and function in horizontal, vertical and 45° positions. With front jaw at 90°, large work can be clamped to centerboard in lower shelf position. Fold one leg and you've got a sawhorse. Swivel pegs hold odd shapes and lumber up to 26" wide, up to 42" diagonally. Individually adjustable handles let jaws hold wedge shapes. Centerboard acts as shelf when placed on leg supports, as drawing board when attached to one jaw in slanted position. Vise holds pipe in horizontal or vertical positions. When tilted to 45°, it holds large pipe and logs. Strong steel construction holds up to 750 lbs. Fully assembled. Folded: 35 1/2" wide, 33" high, 8" deep. Net wt. 45 lbs.

B—79-001 Dual 29". Folding legs give you two heights 31 7/8" work bench height, 23 3/4" sawhorse height. Adjustable foot for leveling. Strong steel frame. 29" vise jaws open to 5 1/4". Swivel pegs hold odd shapes, lumber up to 12" wide, to 21" diagonally. Individually adjustable handles. Large step for steadying work with foot. Comes fully assembled. Folds for carrying.

C—79-009 Dual 27". Legs fold for two heights: 31 1/4" and 23 3/4". 27" vise jaws open to 5 1/4". Swivel pegs hold odd shapes, lumber up to 12" wide, 21" diagonally. Steel frame. Shipped unassembled. Folds for easy carrying and storage. 25 lbs. net wt.

D—79-003 Single 23". Combines strength and portability. Supports up to 350 lbs, yet weighs only 22 lbs. The 23" vise jaws open to 5 1/4" and swivel pegs hold objects up to 12" wide, 31 1/4" work bench height. Folds for easy storage and portability. Comes unassembled.

Folds for compact storing, easy carrying. Take it to the job.

Clampdown jaw holds material for sawing.

Holds irregularly shaped objects; centerboard behind jaws gives extra work surface.

Fold one leg and WORKMATE® becomes a sturdy sawhorse.
