**Only at Sears... CRAFTSMAN®  
Work Buddy™ Workbench**

Heavy-duty workbench/vice grips large, awkward pieces, adjusts to 5 working heights and needs less than half the storage space as our portable workbench below

\$58<sup>19</sup>

Vise jaws can hold your pipe clamps to grip oversized pieces and for strong, four-sided clamping action

Open-leg design allows chair to fit beneath table so you can even use it as a sewing or typing table

Remove legs and place in tray for compact storage. Fits on shelf, hangs on wall, stores just about anywhere

**TOP, FRAME:** 1-in. thick laminated hardboard top sealed to resist chipping, marring. Die-cast aluminum frame provides firm support. Telescoping tubular steel legs adjust to 5 positions from 23 to 35 in. high for a comfortable working height... table can even be set on an angle. Legs are widely spaced for stability.

**VICE:** Jaws open to 5 1/4 in. wide. Double-adjustment levers permit gripping of wedge-shaped objects. Four rectangular swivel pegs hold irregular or circular-shaped pieces. Four V-notched swivel pegs hold tubular pieces, even in vertical position.

**DIMENSIONS, CAPACITY:** Legs detach, fit in storage tray that can also hold tools while table is in use. Folds away to 30x18x5 1/4 in. high. Needs only 1.64 cu. ft. of storage space (portable work center below needs 3.77 cu. ft.) Work table is 15 1/4 in. wide with vise open, 10 in. wide with vise closed. Capacity using swivel clamps is 12 in. when work is held parallel to clamps. Weighs only 32 pounds. Supports maximum of 350 pounds.

**ORDERING INFORMATION:** Partly assembled. Use clamps (9) and (10) sold on page 50.

9 GT 28877C—Wt. 35 lbs. ... \$58.19

**CRAFTSMAN® Portable  
Workbench**

Workbench, sawhorse, vise in one

\$67<sup>88</sup>

Ideal for apartment dwellers and other home craftsmen with limited space.

**TOP, FRAME:** Pressed flakeboard top. Steel frame. Base level step can be used as footrest for stability.

**VICE:** Jaws open to 5 inches wide. Double-adjustment levers permit gripping of wedge-shaped objects. Four swivel pegs hold irregular or circular-shaped pieces. V-grooves in vise jaws hold tubular pieces such as pipe, even in vertical position.

**DIMENSIONS, CAPACITY:** Height of work surface is 31 3/8 inches with legs open, 23 3/8 inches with legs closed. Folds away to 29 1/2 x 29 x 7 3/4 inches high. Work table is 15 1/4 inches wide with vise open, 9 3/4 inches wide with vise closed. Capacity using two swivel clamps is 12 inches when work is held parallel to clamps, 28 inches when held diagonally. Lightweight and easy to carry... weighs only 32 pounds. Supports maximum of 350 pounds. Imported.

**ORDER INFO:** See "N" suffix, p. 69.
