Dear Workmate Purchaser,

Our records indicate that you have purchased a Black and Decker Workmate during the last two years.

You will by now appreciate the versatility of the Workmate as an aid to your Do-it-yourself activities.

Many satisfied Workmate owners have written to us with suggestions for attachments to further enhance the versatility of the unit. We are now pleased to advise you that we are introducing four new attachments for use with the following Workmates:

- WM 225 Single Height
- WM 325 Dual Height (Alloy)
- WM 525 Dual Height (Steel)

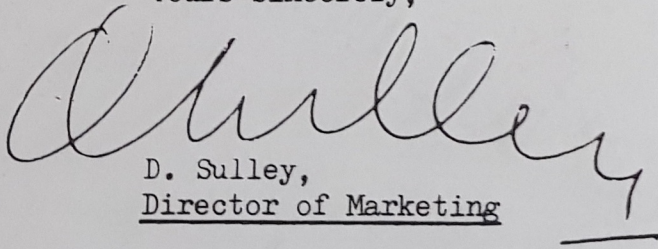

We have pleasure in enclosing a leaflet which gives full details of these new attachments which are:

	<u>List Price Inc. VAT</u>
1) WM 110 Extender Arms	£3.88
2) WM 120 Metal Vice Claddings	£7.83
3) WM 130 Tool Tray	£2.94
4) WM 140 Saw Table	£8.10

These attachments will be Nationally available from November onwards, from your usual Workmate supplier. Should you have any difficulties in obtaining them please write to us quoting this letter.

We are sure that as a 'seasoned' Workmate owner you will be delighted with the increased range of functions that these new attachments will help you undertake.

Yours sincerely,

D. Sulley,
Director of Marketing
